The following four contestant status levels are mandatory for A, AA, AAA Solo and Strut competitions and are optional for all other events.

Novice Class – A contestant is a novice until receiving five first-place novice wins in a contest category. She or he then advances to the Beginner class. Winners awarded ribbons or medals only.

Beginner Class – A contestant is a beginner until receiving five first-place Beginner wins in a contest category. She or he then advances to the Intermediate class.

Intermediate Class – A contestant is an intermediate until receiving eight first-place Intermediate wins in a contest category. She or he then graduates to the elite Advanced class.

Advanced Class – A contestant has reached the highest and most prestigious competitive level.
